DETAILED ACTION

Remarks

1. The objection and rejection, as set forth in the previous Office Action, are withdrawn.

Examiner's Amendment

2. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Brent Kenady (Reg. No. 40, 045) on Sep. 21, 2004.

3. The application has been amended as follows:

In claim 77, line 12, replace "the first layer" with – the upper layer --.

Allowable Subject Matter

4. Claims 50-77 are allowed.
5. The following is an examiner's statement of reasons for allowance:

The closest prior art of record, Yao et al. (US 6,048,775), teaches a related art, as stated in the previous Office Action. In contrast, Yao et al. neither teach nor suggest that the lower layer comprising a stoichiometry the same as a stoichiometry of the layer (claim 50); that the polishing occurs at a *faster* rate at the *second* portions of the interface than the polishing at the *first* portions of the interface (claim 60); and that modifying the first temperature parameter of the set to a second temperature parameter to form a second layer of the material over the first layer and substrate, the first layer having a wet etch rate *less than* a wet etch rate of the second layer.

Art Unit: 2823

Therefore, the instant invention is neither anticipated nor rendered obvious over the prior art of record.

6. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

7. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Hsien-Ming Lee whose telephone number is 571-272-1863. The examiner can normally be reached on Tuesday-Thursday (8:00 ~ 6:00).
